

## November

**5th TD Day** - No school council meeting- the children decorated their high visibility jackets ready for Anti bullying week.

**12<sup>th</sup>**- No meeting

**19<sup>th</sup>** - Mrs Cutting asked the children to develop a new school definition of bullying. Miss Crowe talked about Anti bullying week (Friendship week) before asking the children 'what is bullying?' or 'What do we mean by the word bullying?'

Lottie - fighting    Ruby - being mean    Buddy- being unkind

She then went through some statements asking the children to say if they were 'Joking around,' a 'one-time thing,' 'fighting' or 'Bullying.' From this activity the school council agreed a new definition of bullying for our school.

**"Unkind behaviour that is on purpose and repeated."**

School council 2018

Miss Crowe reminded the children that a new school council would be starting in January. She asked the children to think about all of the things that they had done during their time as a member, including the Macmillan tea party, jeans for dementia and Anti-bullying week.

Mrs Cutting asked what the children thought the new school council may need to do. They talked about raising money and changes that they would like to see in the school - Max would like to see the walls decorated.

Mrs Cutting then asked what the children really liked about our school and the children said;

Golden time, play equipment, teachers and everyone in the school.

It was decided that at the next meeting the school council would write a letter to The White Horse Federation with their ideas to improve the school.
