October

1st - No school council meeting

8th- Mrs Cutting and Miss Crowe thanked the school council for setting up the tea party, and congratulated them on raising £306 for the chosen charities. The children then wrote letters to say thank you to the FOSI for helping. A year 1 child decided that he no longer wanted to be on the school council and left the meeting. A new member will be chosen to represent the year 1 class.

Miss Crowe spoke to the children about anti bullying week (12th-16th November). The children decided that they would play games at play times, including hide and seek, Cowboys (riding horses) and number games.

15th - **TALK FOR WRITING** (no school council meeting)

22nd- Mrs Crowe and Mrs Cutting reminded the children that Anti- bullying week was when we return to school following the holiday. The children recapped on the games they wanted to play with other children at playtimes. They decided that the school council children would wear high visibility jackets, their badges and a name label so that children would know who they were. These will be placed on the pegs in the explorer zone.

Mrs Crowe told the children that it was also Children in Need day on the Friday during Anti -bullying week. The children were asked to think what they would like to do for Children in Need. Lucas suggested friendship bracelets, Lily cards and Mrs Cutting suggested photos with your friends.

Mrs Crowe was to let teachers know what the school council will be doing.
