Infant School

## **Welcome to Southbroom Infants**

On behalf of all the children and staff at **Southbroom Infants** we would like to give you and your child a warm welcome to our Reception Class 2020-2021

Our goal is for all our children to have a happy and enjoyable start to their Reception year in order to build successful foundations for their learning. As well as building a strong and close partnership with you as parents, throughout your child's learning journey.

The aim of this booklet is to provide you with practical information and advice to help make the transition into the Reception Class as smooth as possible.

If you have any questions or concerns, please do not hesitate to contact us.

## Induction Programme

### Parent- Teacher Virtual Face to Face Call

During the summer prior to your child starting school in September, we have arranged a virtual call to get to know you.

Miss Edgley Early Years Lead and Reception Teacher will call you at home using **Zoom** to see you and your child in a familiar setting. During this time, we will discuss any concerns or worries you may have, as we recognise that children have different needs and requirements.

We will call you to arrange a time and date that suits you.

There will also be a forum for questions in case you remember something important after the initial call or simply would like to know something else. You can access this by going to Seesaw and messaging the class teacher.
