

Year 1 Maths Overview 20 – 21 - updated Term 4

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
1	Subitising - dice patterns	Ordering numbers to 20. Counting on and back from 20. Number recognition to 20.	Sharing equally - Share to solve problems		Doubling - Double numbers Combine two equal groups in a practical context	Addition and subtraction - Partition Combine two groups Take away from a group Count on and back Use vocabulary of addition and subtraction		
2	Number and Place Value to 30		Addition and Subtraction		Geometry: Properties of 2D shapes			
3	Geometry: Properties of 3D shapes		Measurement: Length	Addition and Subtraction: Facts of 7 - 11				
4	Number and Place value to 100				Fractions			
5	Addition and Subtraction: Facts of 11 -16		Measurement: Money	Multiplication and Division				
6	Addition and Subtraction: Facts of 16-20		Addition and Subtraction	Measurement: Time	Measurement : Capacity	Assessments		

Year 2

Term	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
1	Transition/Settling in	Place Value		Geometry: Properties of 2D shapes		Addition		
2	Subtraction			Geometry: Properties of 3D shapes	Multiplication		Geometry: Position and direction	
3	Division		Measure: Length and Mass					
4	Fractions		Measurement: Time		Measurement: Money			
5	Statistics		Measurement: Capacity and Temperature		Problem Solving TAF assessment KS1 SATs			
6	Finalize TAF assessments	Secure Place Value		Secure Addition and Subtraction		Secure Multiplication and Division
